Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Garden Grove in fiscal year 2024.

The entity to receive funding for this project is City of Garden Grove located at 11222 Acacia Parkway Garden Grove, CA, 92840

The funding would be used to rehabilitate the pavement on Trask Avenue from Harbor Boulevard to Fairview Street

The project is an appropriate use of taxpayer funds because the City has a pavement maintenance backlog of over \$233 million and this project is identified as an immediate need in 2024 to ensure appropriate maintenance and safety for the community. Pavement rehabilitation along Trask Avenue from Harbor Boulevard to Fairview Street will result in improved conditions for motorists and bicyclists that regularly utilize this segment of Trask Avenue.

The project has a Federal nexus because the funding provided is for purposes authorized by United States Code (U.S.C.) Title 23 which provides surface transportation block grants.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Michelle Steel
Member of Congress
